No Compromise In
QUALITY

Want to Know About Us ?

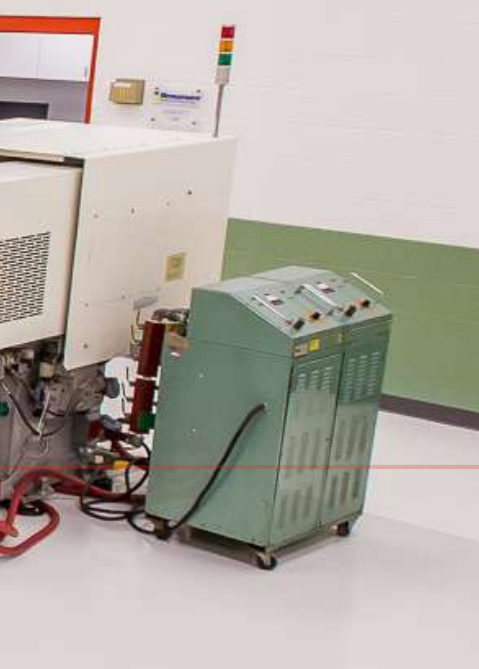

Rapid stands apart for its quality, wide unique range, safety precision durability and most sturdy products. Our USP is to customise each product according to need of our consumers with zero quality compromise and at most competitive price.

Company is well–Equipped with the latest machineries and test laboratory supported by the most supportive & competitive workforce. It implements strict control measures all through the production line and has a most efficient quality checkers at each point.

Our mission is to become 'One Stop Electric Solution Provider of India' by continuous expansion of manufacturing product range of..

Electrical Accessories.

Since its inception in 2009, **Rapid Electric Accessories** has managed to build its distinctive presence in an Electrical Industry globally. Our modest journey begun by manufacturing only one category of surface panel and today has got a huge range of more than 800 products of exceptional quality & innovative designs which includes switch accessories conduit pipe casing capping profile, electric holders, plug tops, ceiling range, mounting boxes, surface boxes, circuit breakers, modular plates, concealed box, ancillaries, etc.

HET ELECTRIC SOLUTIONS PVT. LTD.
We are Manufacturing Around
1200 Items of
Electric Accessories

OUR MISSION

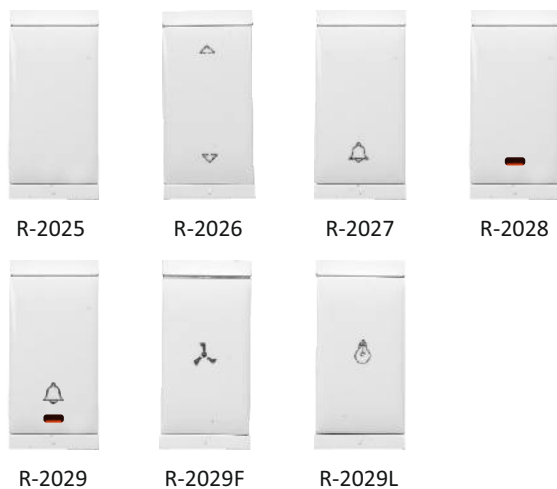

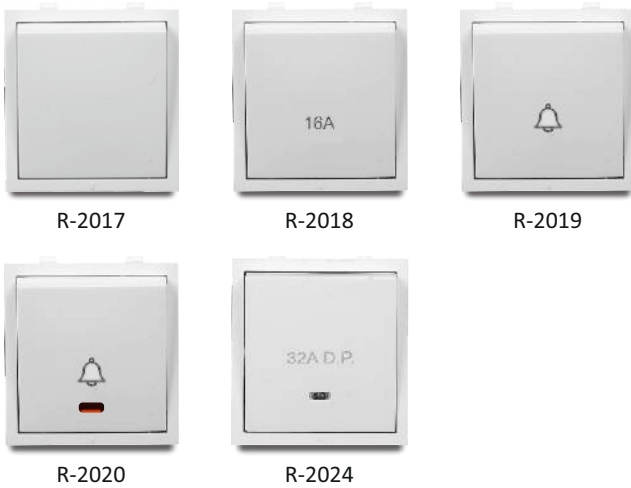

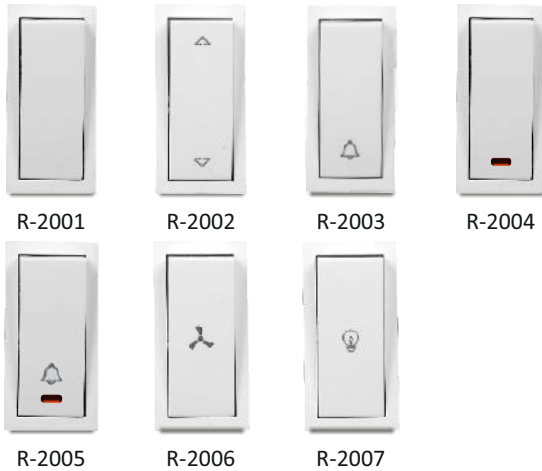

As India's Fastest Growing Electrical Company, Rapid Electric Accessories is the trusted name for building circuit protection market known of its quality products and after sales support.

OUR VISION

Rapid Electric Accessories has emerged as the preferred choice for a discerning range of individual and industrial consumers both in India and abroad.

OUR GOAL

the essence of its success lies in the expertise of a fine team of professionals, the strong relationship with associates, the ability to change quickly and efficiently and the vision to think ahead.
