## WANT TO KNOW ABOUT US ?

RAPID Stands A part For Its Quality, Wide Unique Range, Safety Precision, Durability And Most Sturdy Products. Our Usp Is To Customise Each Product According To Need Of Our Consumers With Zero Quality Compromise And At Most Competitive Price.

Company is well-equipped with the latest machineries and test laboratory supported by the most supportive & competitive workforce. It implements strict control measures all through the production line and has a most efficient quality checkers at each point.

Our mission is to become 'One Stop Electric Solution Provider of India' by continuous expansion of manufacturing product range of electrical accessories

Since its inception in 2009, Rapid Electric Accessories has managed to build its distinctive presence in an Electrical Industry on national level. Our modest journey begun by manufacturing only one category of surface panel and today has got a huge range of more than 2000 + products of exceptional quality & innovative designs which includes electric holders, plug tops, ceiling range, mounting boxes, surface boxes, circuit breakers, fixing plates, ancillaries, Mcb, Switches, Cable Clips, Cable Ties, Mcb Db's Box, Pipes & Patti etc.

## RAPID STRATEGIC DIRECTION

### OUR MISSION

Rapid Electric is committed to transforming everyday living through smart, stylish, and reliable electrical solutions. We blend innovation with precision engineering to deliver products that enhance comfort, safety, and efficiency. Our focus is on premium quality, modern design, and long-lasting performance. Every solution is crafted to meet evolving lifestyle needs. We aim to set new benchmarks in electrical excellence. Innovation drives everything we create.

### OUR VISION

We aspire to be a forward-thinking and customer-centric electrical organization, delivering innovative, reliable, and future-ready solutions. Our focus is on understanding evolving customer needs and exceeding expectations through quality, technology, and excellence. By embracing innovation and sustainable practices, we aim to set new benchmarks in the electrical industry. We are committed to continuous improvement, operational efficiency, and long-term value creation. Our goal is to build lasting relationships through trust, performance, and responsiveness.

### OUR GOAL

Rapid Electric is committed to ensuring the highest standards of customer safety and operational reliability. We strive to promote responsible product usage and encourage sustainable recycling practices. Our focus remains on reducing environmental impact through safe and efficient solutions. By following strict quality and safety guidelines, we aim to prevent hazards and minimize property damage. We continuously work toward building trust through innovation, responsibility, and long-term value.

## RAPID ELECTRIC FOOTPRINT

- **90,000 SQ. FT MANUFACTURING FACILITY**

With a 90,000 sq. ft. state-of-the-art manufacturing facility, Rapid Company ensures high-quality production at scale. Advanced infrastructure and efficient processes help deliver reliable products on time.

- **2000+ PRODUCTS**

Rapid Company offers 2000+ premium products, including Switches & Accessories, MCBs & DBs, and Pipes & Fittings, designed for safety, durability, and modern living.

- **300+ EMPLOYEE STAFF**

With a strong team of 300+ skilled employees, Rapid Company delivers reliable, fast, and high-quality solutions across every project.

- **5000+ RETAILERS**

Trusted by 5,000+ retailers across India, Rapid Company delivers reliable products with consistent quality. Our growing network reflects our commitment to innovation, service excellence, and long-term partnerships.

- **100+ DISTRIBUTORS**

With a strong network of 100+ distributors, our company ensures rapid availability and seamless delivery across multiple regions. We are committed to growth, reliability, and long-term partnerships.

- **PRESENCE IN MORE THAN 20 STATES**

With a strong presence in more than 20 states, our company continues to expand rapidly, delivering consistent quality and reliable solutions nationwide. Driven by innovation and trust, we connect businesses and customers across India with speed and excellence.”

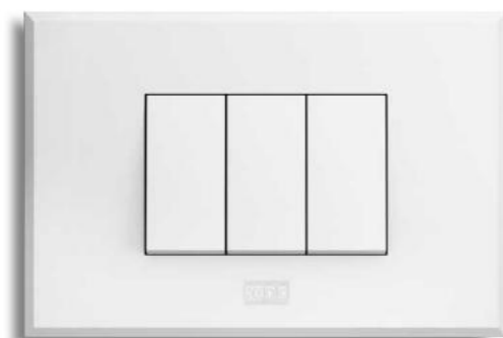

## STRATEGIC MANAGEMENT APPROACH AT RAPID ELECTRIC

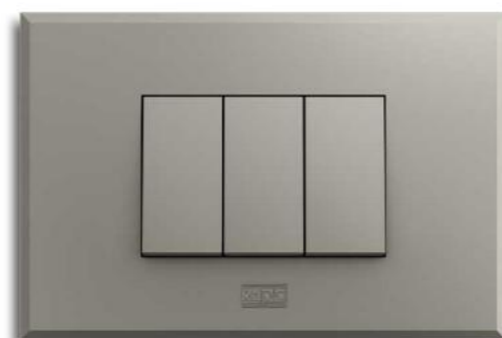

**WHITE**

Pure white switches that blend seamlessly with your walls, bringing elegance, clarity, and calm to every touch.

**NEBULA GREY**

Nebula Grey switches blend cosmic elegance with modern design. A refined shade that elevates every space effortlessly.

**CHARCOAL BLACK**

Deep charcoal black for a strong, modern statement. Designed to elevate your walls with confidence.

## ERICA SWITCHES

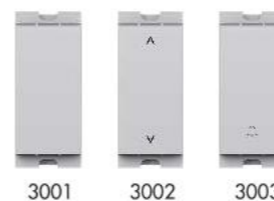

Erica switches are crafted to complement every interior with elegance and precision. Choose from timeless White, modern Nebula Grey, or bold Charcoal Black to match your style. Each shade enhances the design while delivering smooth performance and lasting durability. Because great spaces deserve switches that look as good as they work.

RESIDUAL CURRENT  
CIRCUIT BREAKER

RCCB

Rapid **RCCB** (Residual Current Circuit Breaker) is designed to provide advanced protection against earth leakage currents, ensuring complete safety for people and property. Engineered with precision, it automatically disconnects the circuit whenever it detects imbalance in current flow, thereby preventing electric shocks and fire hazards. With reliable performance, durable build, and compliance with international safety standards, Rapid RCCB is the perfect choice for homes, offices, and industries where safety cannot be compromised
